

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

Georgia Power Company

Project No. 485-063

ERRATA NOTICE

(July 9, 2009)

On July 6, 2009, the Commission issued a Scoping Document and Notice of Intent to File License Application, Filing of Pre-Application Document, Commencement of Licensing Proceeding and Scoping, Request for Comments on the PAD and Scoping Document, and Identification of Issues and Associated Study Requests for the Bartletts Ferry Hydroelectric Project. The scoping document and notice requested that anyone interested in visiting the project facilities and/or touring Lake Harding send an e-mail to Bartletts Ferry Relicensing by July 24, 2009. The scoping document and notice also requested that if any participant of the tours is disabled or has special needs, please e-mail Bartletts Ferry Relicensing. The e-mail address provided in the scoping document and notice was incorrect. The correct e-mail address is bfrelice@southernco.com.

Also in Appendix B, *Process Plan and Schedule for the Bartletts Ferry Project* of the scoping document, the date by which the license application must be filed is incorrect. The correct date is by December 14, 2012.

Kimberly D. Bose,
Secretary.
