All Marathon water heaters installed under this program are subject to visual verification by the Georgia Power Corporate Compliance Organization. You will be contacted to schedule an appointment if your Marathon water heater installation is selected for a field audit. If the field audit discovers the Marathon water heater has not been installed, the customer may be billed for the repayment of the Marathon water heater rebate to Georgia Power.

Terms and Conditions: By signing this Rebate Request Form, applicant acknowledges and agrees that Georgia Power's liability and responsibility in connection with the Marathon® Rebate Program shall be strictly limited to the making of certain rebate payments to eligible applicants, and that Georgia Power is not making, will not be providing and specifically disclaims any representations, warranties, covenants or guaranties whatsoever, expressed or implied, in connection with the electric water heaters or the Program itself, including, without limitation, those regarding merchantability or fitness. Warranties with respect to the water heaters are strictly manufacturer's warranties, and applicant shall not make, nor have the right to make, any claims against Georgia Power relating to any such warranty. Georgia Power shall in no way be liable or responsible for any equipment installed or any act or omission of any other entity or individual, including, without limitation, Marathon®, any electrician, plumber, technician or other service provider.
