

Our commitment to the future of Georgia

Georgia Power's commitment to corporate citizenship has a rich history spanning generations. Our company, employees and retirees serve with purpose and generosity to create a better quality of life throughout Georgia. Since inception the Georgia Power Foundation has invested nearly \$200M to enrich k-12 and higher education, workforce development, community revitalization, economic mobility, and environmental stewardship. In 2019 we achieved \$23M of collective impact, supporting over 1,400 organizations, to empower Georgia's future.

1,400+
Organizations supported in 2019

Citizens of Georgia Power

125,000
Hours valued at \$3.1M that our citizens and ambassadors spent volunteering on various community projects

14,000+
Individuals received assistance in 2019. \$73.8M donated to Project Share by the company and the customers since program inception (1985)
