EPA's "Disposal of Coal Combustion Residuals from Electric Utilities" Final Rule (40 C.F.R. Part 257 and Part 261), §257.73(a)(3)(i)(E), requires that Emergency Action Plans include provisions for an annual face-to-face meeting between representatives of the owner or operator of an existing CCR unit and the local emergency responders.

On November 10, 2021, an annual face-to-face meeting with Georgia Power and local emergency responders was held virtually to review the Emergency Action Plan, as required by 257.73(a)(3)(i)(E). This face-to-face meeting was held virtually due to the impacts and public health requirements of the SARS-CoV-2 (COVID-19). This notice serves to document the occurrence of this meeting as required by §257.105(f)(7).
