

Charging Island Operation

Welcome to the Georgia Power Network!

Each charging island is equipped with both Level 2 and DC Fast Chargers. Both CHAdeMO & CCS combo connectors are included.

To access the units, drivers will need a Georgia Power Network or ChargePoint card.

To sign up for a new network card, please visit **georgiapower.chargepoint.com**.

Please activate a charge using one of the methods below:

- Call 1-888-758-4389 (charging station posting).
- Use a Georgia Power Network or ChargePoint card.
- Use an EZ Charge card that is registered with ChargePoint.
- Use the ChargePoint mobile app.
