

# Free energy efficiency home improvements

Through the **Home Energy Efficiency Assistance Program**, income-eligible Georgia Power customers can apply for **free, energy-efficiency home improvements**. From improved attic insulation to smart thermostats that can help manage your home’s temperature, energy efficiency improvements can help you save energy and money.

## Program Eligibility

- You must be a Georgia Power residential customer.
- Your household income must be 200% or less of the 2021 US Federal Poverty Guidelines. This calculation has been completed for you in the chart below. Your total household income must be equal to or below the numbers in the chart in order to qualify for program participation.

Household Size	1	2	3	4	5	6	7	8
Annual Income	\$25,760	\$34,840	\$43,920	\$53,000	\$62,080	\$71,160	\$80,240	\$89,320
Monthly Income	\$2,147	\$2,903	\$3,660	\$4,417	\$5,173	\$5,930	\$6,687	\$7,433

Add \$9,080 for each additional person per year to the annual income of \$89,320 to calculate the annual income maximum for household sizes over eight.
