

Linemen line up for special recognition

THURSDAY, JUNE 30, 2016 - Georgia Power linemen from across the state were recently honored for their performance with a special day at the Atlanta Falcon's training facility in Flowery Branch.

The "Our Line Meets Your Line" event is held annually and this year took place during the Falcons summer organized team activities.

The 10 participants were nominated by their leadership for outstanding commitment to safety, work performance, leadership skills, and demonstration of customer service and Southern Style.

The day included watching practice and meeting Falcon players, including offensive and defensive lineman. This sponsorship event has been a longstanding component of the Falcons' partnership with Georgia Power.

Alex Mack, Falcons offensive lineman, signs a football for Major Ealey III, Minola meterman.

"The Falcons organization really enjoys putting on this event with Georgia Power," said Tyler Hargrove, senior account executive with the Falcons. "We see it as an opportunity for our guys who work in the trenches to meet Georgia Power's hardworking linemen who are in the trenches every day."

The Falcons will hold their 2016 XFINITY Training Camp at the team's Flowery Branch headquarters for the 12th consecutive year, and will open select practices to the public from July 28 to Aug. 16. Go to www.atlantafalcons.com for more information.
